

Dacxi UAB Exchange – Version 2022.02

Terms and Conditions

The Dacxi exchange is operated by Dacxi UAB, with a European Union crypto-exchange licence number 305999490

By opening an account with Dacxi UAB you unconditionally accept these Terms and Conditions and agree to comply with them.

Interpretation

In these Terms and Conditions, unless the context otherwise indicates:

- **Membership Fee** means the fee charged by Dacxi UAB for your use of the Services.
- **Crypto Asset** means a digital asset including but not limited to Bitcoin, Bitcoin Cash, Ethereum, Litecoin and Dacxi Coin. We also use the words cryptocurrency, or simply 'crypto' to describe Crypto Assets.
- **Dacxi** means Dacxi UAB, and any or all of its related bodies corporate and successors. We also use 'we', 'our' and 'us' when we are talking about ourselves.
- **Dacxi Exchange** means www.dacxi.com and app.dacxi.com and all subsequent links and paths on those sites that are operated by Dacxi UAB.
- **Dacxi Wallet** means your account on the Dacxi Exchange that holds Crypto Assets.
- **Fiat Account** means your account on the Dacxi Exchange that holds fiat currency.
- **Service(s)** means your account with Dacxi, order platforms, websites and any other services that we make available on the Dacxi Exchange.
- **Those Indemnified** means Dacxi and its licensors, service providers, directors, officers, employees, contractors and agents.

Eligibility

- You must be at least 18 years old to use our Services.
- The Global Exchange allows residents and citizens of all countries globally to join and execute trades on the Exchange . We reserve the right to suspend the use of services to specific countries within these regions.
- Accordingly, by using the Services you warrant that you are permitted to use the Services under these Terms and Conditions.
- If you do not meet these eligibility requirements, you agree to indemnify us from and against any claims or losses that arise from or relate to your use of the Services.

Opening an account

- We may, in our sole and absolute discretion, refuse to open an account for you.
- You are solely responsible for the safekeeping of your account login credentials. You must not share your login credentials with any other person. We are not responsible for any unauthorised access or use of your account.

Verifying your identity

- To help us adhere to anti-money laundering rules and to protect your Crypto Assets, we must verify your identity using the 'Know Your Customer' process before you will be permitted to use our Services.
- As part of this process, you are required to send us your full name, date of birth, address, country of residence, a copy of a valid photo identification document and proof of residential address document that lists the same. The information you submit must match the details in your identification document and proof of residential address document.
- We may also require you to submit your bank account information document and/or bank statement to validate your bank account number and account holder name.
- If you fail to provide any of the information we request or provide false information, your account access and your ability to use the Services may be terminated.
- Your identity verification documents and information will be held in accordance with our Privacy Policy. By submitting the requested identity verification information to us, you agree to our Privacy Policy.

Funding your Fiat Account

- You may load funds into your Fiat Account using the payment methods made available on the Dacxi Exchange at any given time. We make no guarantee that any payment method on the Dacxi Exchange will be available at any time.
- Your Fiat Account balance will be updated only after we receive your deposit in cleared funds.
- It is your responsibility to ensure the bank account details you use whenever you deposit funds are correct and up to date.
- We are not responsible for deposits that are not received by us due to:
 - you using the incorrect bank account details, including using details that we have previously instructed you to use that we have since amended;
 - your bank refusing to transfer the money; or
 - any other reason howsoever occurring.
- Incoming payments must be completed through electronic funds transfer from a bank account held in your own name, based in your Country of origin.
- You are responsible for all fees incurred when making a deposit.
- For any reason if Dacxi incurs a charge or fee for your deposit, we reserve the right to deduct the charge or fee from your deposit amount whether before or after crediting your Fiat Account with the deposit.

Funding Crypto Assets to your portfolio

- You can deposit Crypto Assets directly to your Dacxi Wallet via the deposit section of the Dacxi website.
- Your crypto balance will appear in your Dacxi Wallet after it has received the requisite number of network confirmations on the applicable blockchain. At times of congestion and interruption, this could take some time to show in your account. We make no guarantee as to how long the network confirmation process will take and you

acknowledge that network participants are responsible for this confirmation and not Dacxi.

- For information on how to withdraw your Crypto Assets, please see the FAQ page on our Website.

Your account

- When you fund your Fiat Account, your balance is held in our bank account by a regulated bank. It is held there until you send it elsewhere, withdraw it or use it to buy crypto.
- Underlying Crypto Assets are developed using a range of protocols. Dacxi is not responsible for any loss due to errors, protocol delays or any other breakdown relating to networks.
- You acknowledge that Dacxi cannot perform any reversal or cancellation of Crypto Asset transactions.
- It is your responsibility to keep your Crypto Assets safe by ensuring that you use all security measures such as Two Factor Authentication and Google Authenticator.
- The use of your account is solely at your own risk. Dacxi has extensive security software and standards in place, however, we are not responsible for any loss incurred as a result of an external security breach.
- You agree that Dacxi is not liable for any errors, losses or omissions as a result of you:
 - o sending or receiving Crypto Assets from incorrect wallet addresses or email addresses;
 - o entering incorrect transaction amounts; or
 - o making any other error or using or supplying any other incorrect information.
- Crypto Assets are securely stored in a combination of online and offline storage. As a result on rare occasions it may on rare occasions take up to 48 hours or more to facilitate transactions. By using the Dacxi Exchange you accept the risk that a transaction may be delayed, and you agree to indemnify Dacxi against any damages or loss due to the delay.
- In the case of death of the account holder (or the account holder otherwise suffering a legal disability), the rights and responsibilities of the account holder are passed on to their legal personal representative. Dacxi is not required to provide your legal personal representative with access to your account unless and until they can adequately demonstrate their legal entitlement to access the account.

Buying and selling Crypto Assets

You can buy and sell Crypto Assets directly on the trading page of the Dacxi Exchange by initiating a buy or sell order. If a buyer or seller is willing to trade at the price stated in your order, we will facilitate the transaction.

- By instructing us to process a Crypto Asset transaction you are giving us permission to debit or credit your Dacxi Wallet and Fiat Account (whichever is applicable) to complete the transaction.
- You acknowledge that Crypto Asset transactions cannot be reversed once they have been completed.
- By instructing us to process a Crypto Asset transaction, you agree that we can deduct any applicable fees as set out in our Fee Schedule.

- We may cancel or refuse to process any Crypto Asset transaction orders at our sole discretion at any time.

Limits

- You can only trade Crypto Assets up to the limits that we set out in your account. To view your limits, please log in to your account. Your transaction limits may vary depending on the identity verification level that you have completed, and other factors. We reserve the right to change your transaction limits as we deem necessary.

Refunds

- Crypto Asset transactions are generally irreversible. If you believe that you did not request a particular transaction you can contact our customer support team at hello@dacxi.com. We aim to respond to your refund query within 30 days.
- We are not responsible for any loss in relation to unauthorised or incorrect transactions.

Withdrawals

Making a withdrawal from your Fiat Account

- You can withdraw your Fiat Account balance to a supported bank subject to the fees set out in the Fee Schedule.
- Your request to make a Fiat Account withdrawal will be deemed as your authorisation for us to process the withdrawal and your acceptance of any fees to do so.
- The bank account holder name should match the Dacxi account holder name. Dacxi will not transfer funds to third party bank accounts.
- We do not guarantee bank transfer disbursement times and will not be liable for any delays in you receiving your money.
- We retain the right to delay withdrawals for any operational or compliance reasons.

Making a withdrawal from your Dacxi Wallet

- You can withdraw your Crypto Assets to a supported crypto wallet, exchange or other Crypto Asset supported address through the withdraw function of your Dacxi Wallet (withdraw function), subject to the fees set out in the Fee Schedule.
- Your request to make a Crypto Asset withdrawal will be deemed as your authorisation for us to process the withdrawal and your acceptance of any fees to do so.
- We make no guarantee as to the processing times of Crypto Asset withdrawals and will not be liable for any delays in you receiving your Crypto Assets.

Membership Fee

- Dacxi will charge you a monthly Membership Fee for your use of the Services.
- The Membership Fee will only be charged for the Crypto Assets held in your Dacxi Wallet.
- For the purpose of calculating the Membership Fee under this section, the value of the Crypto Assets will be determined with reference to the conversion rate of the relevant Crypto Asset to Great British Pounds/Euros at the time the Membership Fee is charged.
- The Membership Fee will be £1/€1 per month plus 0.95% per annum (but charged on a monthly basis) of the Crypto Assets held in your Dacxi Wallet, up to a maximum value of

GBP/EUR 100,000.00. For clarity, the Membership Fee will only be charged in relation to Crypto Assets up to this maximum value, and will not be charged in relation to Crypto Assets above this maximum value.

- The Membership Fee will be deducted from your account in Crypto Assets. If your Dacxi Account contains insufficient Crypto Assets to pay the Membership Fee, we will deduct whatever is available in your Account.

- Dacxi will deduct the Crypto Assets in the below order of preference:

- [DACXI], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

- [BTC], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

- [ETH], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

- [LTC], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

- [XLM], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

- [DOT], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

- [LINK], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

- [USDT], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

- [DXGT], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

- [DXST], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

- [DXPT], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

- [BCH], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

- [ADA], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

- [SOL], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

- [LUNA], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

- [MATIC], but if the amount held in your Dacxi Wallet is insufficient to cover the Membership Fee; then

Third-party introducers

- Dacxi may pay third parties (such as accountants or financial planners) a fee for introducing new customers.

- Where a new customer is introduced and makes an investment on the Dacxi Exchange, the introducer is eligible for:
 - a percentage of the value of the new customer's initial investment; and
 - a percentage of future revenue generated by Dacxi from the new customer's trading fees and monthly Administrative Fee.

Other Fees

- Transaction fees of 0.5% will be applicable on all single Crypto Assets buy and sell orders.
- Blockchain fees for Crypto Asset withdrawals will be applicable. These fees vary from blockchain to blockchain. Fees will be displayed on the withdrawal screen before you submit the transaction.
- Deposit/Withdrawal Fee: £1.00/€1.00

Dacxi UAB may change any component of the above fee structure at its own discretion. 60 days notice in advance will be given to every client if any part of the fee schedule changes.

- We do not guarantee that the Dacxi Exchange will be secure or free from bugs or viruses or any other type of malicious code or software. You are responsible for configuring your own technology to access the Dacxi Exchange. You should use your own antivirus software.
- We do not provide accounting, legal, financial, consulting, investment or other professional advice. You are responsible for the risks involved in your decision to hold, purchase or sell Crypto Assets.
- Although we make reasonable efforts to provide accurate information on the Dacxi Exchange, we make no representations, warranties or guarantees, whether express or implied, that the content on the Dacxi Exchange is accurate, complete or up to date.
- Accordingly, you should validate any content and information on the Dacxi Exchange before you rely on it.
- Links to third party websites and content are not controlled by us, nor do they imply a partnership with, or an endorsement of the websites or their content. You acknowledge and agree that we are not responsible for any aspect of the information, content, or services contained in any third-party materials or on any third party sites accessed via Dacxi. You access third party websites entirely at your own risk and subject to the terms and conditions of use for those websites.
- Dacxi cannot guarantee that the Dacxi Exchange or the Services will be available 100% of the time. We may suspend, withdraw or restrict the availability of all or any part of the Dacxi Exchange for business or operational reasons. You accept and acknowledge that the Dacxi Exchange may become unavailable from time to time and Dacxi will not be responsible for any loss in those circumstances.

Risk warning

- You agree that the Services provided by Dacxi do not constitute an offer of securities or solicitation for investments in securities in any jurisdiction. None of the information provided by Dacxi should be considered an invitation or inducement to engage in any sort of investment activity.
- You agree and acknowledge that the tokens listed in Dacxi (including Dacxi Coin) do not constitute shares or equities or securities or financial instruments or investments in any form in any jurisdiction. In addition, you acknowledge the following:
 - o Crypto Asset transactions made by you from your Dacxi Wallet are irreversible. If you send Crypto Assets to an incorrect address or send the wrong amount, you cannot retrieve it. Dacxi will not be liable for executing a transaction if the instruction relates to an incorrect Crypto Asset wallet address.
 - o You are fully responsible for ensuring that you understand the risks involved with buying or selling Crypto Assets prior to doing so.. You need to educate yourself about crypto purchasing as it entails risk and volatility and could result in the loss of your funds. You should ensure that you fully understand the risks involved and that you do not spend money that you cannot afford to lose.
 - o Crypto Assets are not backed by an entity. Neither Dacxi nor anyone else has an obligation to buy back Crypto Assets in the future.
 - o Crypto Assets are not legal tender in most countries and are not issued, backed or guaranteed by any government.
 - o Dacxi is not responsible for any legislative and regulatory changes or actions at the domestic or international level that may adversely affect the use, transfer,

exchange and value of Crypto Assets.

- o Because transactions on the Dacxi Exchange are generally irreversible, losses due to fraudulent or accidental transactions may not be recoverable.
- o Crypto Asset transactions shall be deemed final when recorded on a blockchain ledger, which may not necessarily be the same date or time that the transaction was initiated.
- o There is no assurance that a person who accepts Crypto Assets as payment today will continue to do so in the future.
- o The volatility and unpredictability of the price of Crypto Assets relative to fiat currency may result in significant loss or tax liability over a short period of time.
- o Crypto Assets are derived from the continued willingness of market participants to exchange fiat currency for Crypto Assets, which may result in the potential for permanent and total loss of value.
- o The nature of Crypto Assets invites an increased risk of fraud or cyber-attack.
- o You acknowledge that purchasing Crypto Assets involves risk and could result in financial losses. The performance of the Crypto Assets contained or referred to in the Services are not guaranteed by Dacxi.
- o Dacxi does not provide any guarantee for the value of Crypto Assets and has no obligation to buy back any Crypto Assets at any time.
- o The Dacxi Bundle is not an investment recommendation.
- o The DACXI Coin is speculative by nature and its growth, convertibility and future worth are dependent on many variables.
- o The risks outlined in these Terms and Conditions are general risks and do not constitute financial advice. You should seek your own advice from a licensed financial advisor.

Intellectual property

- All intellectual property included in the Dacxi Exchange, including, but not limited to, logos, databases, design, text and graphics, software, photos, videos, music, sounds and any combinations of the aforementioned files, and the intellectual property rights of software compilation, associated source code and software (including small applications and scripts) is owned or licensed by Dacxi. You may not copy, modify, copy, transmit or use any of the foregoing materials or content for commercial purposes without our express written consent.

Changes to these Terms and Conditions

- We may vary all or any part of these Terms and Conditions at any time without notice to you. It is your responsibility to check these Terms and Conditions each time you use the Dacxi Exchange or receive the Services to ensure you understand the terms that apply at that time.
- Your continued use of the Services following a variation will be deemed to constitute acceptance of the variation.

General

- Any reference to GBP and EUR is a reference to Great British Pounds and Euros.
- Dacxi may suspend its obligations under these Terms and Conditions to the extent that it is unable to perform such obligations as a direct result of an act of God, fire, wind, flood,

riot, war, industrial action or defaults by third parties or other circumstances of a similar nature beyond its reasonable control (force majeure event). Where Dacxi claims a force majeure event has occurred it must give notice to you giving all available information in relation to the event and estimating the period of time required to remedy the event and end the suspension. Where Dacxi's obligations have been suspended pursuant to this clause for a period of 60 calendar days or more, you may immediately terminate the delivery of all Services under these Terms and Conditions by notice to Dacxi.

- Where any notice is required to be given under these Terms and Conditions, such notice must be given in writing by email to the address nominated by the party. Unless otherwise advised:

- o notice can be given to Dacxi by email to hello@dacxi.com; and

- o notice can be given to you at the address listed in your account.

- No delay or failure by us to exercise any of our powers, rights or remedies under these Terms and Conditions will operate as a waiver of them and any waiver, to be effective, must be in writing.

- If any part of these Terms and Conditions is found by a court or other competent authority to be invalid, unlawful or unenforceable then such part will be severed, and the remainder of the Terms and Conditions will continue to be valid and enforceable.

- The headings or titles used in these Terms and Conditions are to facilitate reference and shall not be referred to or relied upon in the construction of any provision of these Terms and Conditions.

- These Terms and Conditions are the complete and exclusive statement of the agreement between the parties relating to their subject matter and supersede all previous communications, representations and other arrangements, whether written or oral.

- These Terms and Conditions may only be varied in writing.

- These Terms and Conditions will be governed by the laws of Lithuania and will be construed in all respects as a contract entered into in Lithuania. The parties hereby submit to the exclusive jurisdiction of the courts of Lithuania.

Privacy Policy

- By using the Services, you agree to be bound by our Privacy Policy, which can be found on our website.
